AMENDMENT A

Introductory Comments

This Amendment is in response to Examiner's Office Action dated November 30, 2005.

Applicant has amended claims 1, 2, 6, 7, 9, 11 and 12. These amendments are responsive to the objections raised by the Examiner, as well as the rejections of certain of the claims under Section 112 asserted by the Examiner in the last Office Action, as well as for purposes of clarification. A substitute Abstract, absent the footer at the base of the original Abstract, is also provided.

In the Remarks section, Applicant requests reconsideration of the rejections based on prior art for the reasons stated in detail therein.
